Subject: River Clean-Up

I want to make sure the river cleanup is good for the environment and jobs.

If, under the EPA plan, the river cleanup were to lead to higher expenses for harbor companies and higher costs for consumers, that would mean a big hit on our economy. We do need a river cleanup but I hope that you'll also consider the costs to our economy.

Thank you for what you do for our environment. Please consider my thoughts and approve a plan that's good for our economy as well.

Sincerely,
